

Please visit [www.safeguardingonline.org/enroll](http://www.safeguardingonline.org/enroll) , enter registration code **utdio4131** to enroll. Once you have entered the code a registration form will pop-up. Please fill out the form completely. Once the form is completed click on the box **“Submit”**, this will take you to a link to start the training. *Please sign up under your respective congregation or ministry.* Each module can take anywhere from 20-40 minutes to complete. You can do the training at your own pace. If you are unable to complete each module you can go back and finish at a later time. *(Please Note: this program requires Flash to run)* Please note you **DO NOT** need to complete the modules on “Keeping your Camp Safe or Preventing Sexual Harassment of Church Workers for Supervisors.”

With this program, we will be able to track all who have successfully completed the modules, so certification of your compliance with diocesan policy will be automatic. **Please make sure to send your certificate to Angela Rogers at the Diocesan offices once you have successfully completed the training.**
